DIRECTORATE OF MEDICAL EDUCATION & RESEARCH, MUMBAI
PROCEDURE FOR SELECTION AND ADMISSION TO MEDICAL
POST-GRADUATE COURSES (MD/MS/DIPLOMA)

1. INTRODUCTION:

The selection procedure for the post graduate courses is being carried out in accordance with the rules and orders issued by Government from time to time and on the basis of directions / decisions given by Hon'ble Court in various court cases.

- 1.1 CLARIFICATION: The Hon'ble Supreme Court (Bench of Hon. 7 judges) has delivered a judgment on 12/8/2005 in Civil Appeal No.5041/2005 in SLP (C) No.9932/2004 in respect of 'rights and entitlement' of Government as against Private Professional Educational Institutions (including Private Medical Colleges conducting graduate & postgraduate medical and dental courses). This judgment expects enactment of legislation by Central Government and in its absence, by State Government in this regard. This process has been initiated. However it is not certain, as of this date, as to when such legislation will come into force, as also its provisions.

In the meanwhile, in terms of the observations of the Hon'ble Supreme Court from the aforesaid judgment, at least at this stage, it appears that State Government cannot claim any quota/seats in these colleges /institutions and consequently cannot effect admissions in these Private Medical Colleges/institutions, except to the extent agreed to with certain institutions.

It is therefore made clear that on the aforesaid interpretation and advice given to the State Government, this Brochure will not apply to the admissions to be effected in the academic year 2009-2010 at the Private Medical Colleges / Institutions, in so far as postgraduate courses are concerned, with the above exception.

However, it is made expressly clear that if, after issuance of this Brochure, either on account of any legislation or on account of any different interpretation /opinion / advice or due to any judgment/order passed by any court of law or even otherwise, the State Government is found entitled to any seat(s) in the Private Medical /Dental Colleges / Institutions and consequently entitled to effect the admission(s) to such seat(s), the rules and regulations set out in this Brochure will be made applicable to such seat(s) and admission(s). In such event, a separate intimation will be issued with appropriate details.

It is also made hereby clear in no uncertain terms that the same 'Common Entrance Test' that is proposed to be conducted in terms of this Brochure will govern such admission(s), if any.

- 1.2 This procedure will be called as "Procedure for selection and admission to medical postgraduate courses at the State Government Medical Colleges, Brihanmumbai Municipal Corporation Medical Colleges, Tata Memorial Hospital and all other Private Medical Colleges / Institutions who opt for admission to PG courses through PGM-CET 2009 (Annexure G).
- 1.3 This procedure is applicable for PGM-CET for admissions for the year 2009-2010. No promise is implied therein for subsequent years and no expectations should be based on this procedure for future.
